

Dear Trace

Hope you had a great time in Ft. Lauderdale celebrating your babies Birthday.

I've enclosed the balance due for the beautiful kitchen

I want you & Jerome to know that whilst I've not seen the kitchen in person I am thrilled with the pictures.

You guys were awesome and there is no way I could have done this without you both.

I'm looking forward to cooking in my new kitchen for you guys.

When I get to Florida we need to talk about repairs. Get me a list of places.

- 1) Angies list
- 2) Thumbtack
- 3)
- 4)

etc

See you soon Mercedes
